PROXY STATEMENT FOR
2003 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON APRIL 24, 2003

GENERAL QUESTIONS AND ANSWERS

The following questions and answers are intended to provide brief answers to frequently asked questions concerning the Proposals described in this proxy statement and the proxy solicitation process. These questions and answers do not, and are not intended to, address all the questions that may be important to you. You should carefully read the remainder of this proxy statement, as well as the appendices and the documents incorporated by reference in this proxy statement.

The Annual Meeting

Q: When and where is the annual meeting?

A: The annual meeting will be held on Thursday, April 24, 2003, at 10:00 a.m., Dallas, Texas time, at The Crescent Club at 200 Crescent Court, Suite 1700, Dallas, Texas 75201. This proxy statement and form of proxy are being mailed to our stockholders on or about March 14, 2003.

Procedures for Voting

Q: Is my proxy revocable and can I change my vote?

A: You may revoke your proxy at any time before it is voted by doing one of the following:

- o Sending a written notice revoking your proxy to Brian O. Casey, our Secretary, at 300 Crescent Court, Suite 1300, Dallas, Texas 75201;
- o Signing and mailing to us a proxy bearing a later date; or
- o Coming to our annual meeting and voting in person.

Q: Who is entitled to vote?

A: Only stockholders of record as of the close of business on February 26, 2003, the record date, will be entitled to vote on the Proposals at the annual meeting. Each share of common stock is entitled to one vote.

Q: How do I vote?

A: If you are the record holder of your shares, you can vote by attending the annual meeting in person or by completing, signing and returning your proxy card in the enclosed postage-paid envelope.

If your shares are held by your broker as your nominee (that is, in "street name"), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If your shares are held in street name, your proxy card may contain instructions from your broker that allow you to vote your shares using the Internet or telephone; please consult with your broker if you have any questions regarding the electronic voting of shares held in street name.

Q: How does discretionary authority apply?

A: If you sign your proxy card, but do not make any selections, your shares will be voted "FOR" the election of all of the nominees for directors and "FOR" Proposals 2, 3, and 4, and, in the discretion of the proxies, as to all other matters that may be properly brought before the annual meeting.

Q. How will votes be counted?

A. The annual meeting will be held if a quorum is represented in person or by proxy at the meeting. A quorum is a majority of our outstanding shares of common stock entitled to vote. As of February 26, 2003, there were 5,394,522 shares of common stock outstanding and entitled to vote on each of the Proposals.

If you have returned a signed proxy card or attend the meeting in person, then you will be considered part of the quorum, even if you do not vote. A withheld vote is the same as an abstention. The effect of abstentions and broker non-votes with respect to a particular Proposal will be a vote "AGAINST" that Proposal. Our transfer agent, Computershare Trust Company, Inc., will count the votes and act as inspector.

Broker non-votes occur when proxies submitted by brokers, banks or other nominees holding shares in "street" name do not indicate a vote for some or all of the Proposals because they do not have discretionary voting authority and have not received instructions on how to vote on the Proposals. We will treat broker non-votes as shares that are present and entitled to vote for quorum purposes.

Q. What happens if I do not return my proxy and do not vote at the annual meeting?

A. If you do not attend the annual meeting and do not submit a proxy, the effect will be that you will not be considered part of, or count towards, achieving a quorum. With respect to each of the Proposals, the failure to return a proxy and vote will have neither the effect of a vote "FOR" nor "AGAINST" these Proposals. This is the case, for a plurality of the voting power represented at the annual meeting and entitled to vote is required for the election of directors. The affirmative vote of a majority of the voting power represented at the annual meeting and entitled to vote is required for approval of Proposals 2, 3 and 4, so your shares will similarly not be treated as being represented at the annual meeting.

Q: Is my vote confidential?

A: Yes. Only the inspector, Computershare Trust Company, Inc., and certain of our employees will have access to your proxy card. All comments will remain confidential, unless you ask that your name be disclosed.

Our Current Stock Ownership

Q: What percentage of stock do the directors and officers own?

A: Our officers and directors collectively and beneficially owned approximately 1,236,256 shares, or approximately 22.9 percent of our common stock as of February 26, 2003.

Q: Who are the largest principal stockholders?

A: To our knowledge, our largest principal stockholders are Third Avenue Management LLC owns 19.1%; Susan M. Byrne owns 14.6%; American Express Financial Corporation owns 5.4%; and Dalton, Greiner, Hartman, Maher & Co. owns 5.1% of our common stock as of February 26, 2003.

Other Information

Q: When are the stockholder proposals due for the annual meeting in 2004?

- A: To be included in the 2004 annual meeting, stockholder proposals must be in writing and must be received by Westwood, at the following address: 300 Crescent Court, Suite 1300, Dallas, Texas 75201, Attn: Secretary, no later than November 14, 2003.
- Q: Who is soliciting my proxy and who will pay the solicitation expenses?
- A: We are soliciting your proxy by and on behalf of our board of directors, and we will pay the cost of preparing and distributing this proxy statement and the cost of soliciting votes. We will reimburse stockbrokers and other custodians, nominees and fiduciaries for forwarding proxy and solicitation material to the owners of our common stock.
- Q: Who can help answer my additional questions?
- A: Stockholders who would like additional copies, without charge, of this proxy statement or have additional questions about this proxy statement, including the procedures for voting their shares, should contact:

William R. Hardcastle, Jr.
Vice President and Treasurer

This proxy statement contains important information that should be read before any decisions are made with respect to the Proposals. You are strongly urged to read the proxy statement in its entirety. You are also strongly urged to read our Annual Report on Form 10-K for the period ended December 31, 2002, especially the Risk Factors section, which is being sent to you with this proxy statement.

PROPOSAL 1:
Election of Directors

Our bylaws provide that the board of directors will consist of between three and eleven directors, as determined from time to time by resolution of the board. The board of directors has set the number of directors at five, all of whom are to be elected at the annual meeting. Each director will serve until the 2004 annual meeting and until his successor has been elected and qualified or until the director's earlier death, resignation or removal. Each nominee has consented to being named in this proxy statement and to serve if elected.

We have no reason to believe that any of the nominees will not serve if elected, but if any of them should become unavailable to serve as a director, and if the board of directors designates a substitute nominee, the persons named in the accompanying proxy will vote for the substitute nominee designated by the board of directors, unless a contrary instruction is given in the proxy.

Each stockholder is entitled to cast one vote for each share of common stock held on February 26, 2003. A plurality of the shares represented in person or by proxy at the annual meeting and entitled to vote is required for the election of the directors. Votes may be cast in favor or withheld. Stockholders may withhold authority to vote for any nominee by striking a line through the name of such nominee in the space provided for such purpose on the proxy card. Broker non-votes, abstentions and votes that are withheld will be excluded entirely from the vote and will have no effect. Votes that are withheld for a particular nominee will be excluded from the vote for that nominee only.

Board Meetings and Committees

The board of directors held seven meetings, or otherwise consented to actions taken during 2002. Each director attended at least 75% of the meetings held by the board of directors and the committees on which he served. The standing committees of the board of directors currently consist of the audit committee and the compensation committee. Messrs. Meyer, Mosle and Wooldridge are the members of our audit committee and our compensation committee. Mr. Wooldridge serves as chairman of our audit committee, and Mr. Meyer serves as chairman of our compensation committee. All members of the audit committee and the compensation committee are "independent directors" within the meaning of applicable New York Stock Exchange rules.

Audit Committee. The audit committee operates pursuant to a charter approved by our Board of Directors, which the audit committee reviews annually to determine if revisions are necessary or appropriate. A copy of the charter is attached to this proxy as Appendix A. The audit committee oversees the preparation of our financial statements and our independent auditors. The audit committee considers and selects an independent accounting firm to conduct the annual audit, determines the independence of our independent accountants and recommends actions to our Board of Directors to ensure their independence. The audit committee is responsible for reviewing reports from our management relating to our financial condition and other matters that may have a material impact on our financial statements and compliance policies. The audit committee is also responsible for inquiring of our management and independent auditors regarding the appropriateness of the accounting principles we follow, changes in accounting principles and their impact on our financial statements in terms of scope of audits conducted or scheduled to be conducted. The audit committee is responsible for preparing a report stating among other things whether our audited financial statements should be included in our Annual Report. The audit committee met seven times during 2002.

4

Compensation Committee. The compensation committee authorizes and determines all salaries for our officers and supervisory employees, administers our incentive compensation plans in accordance with the powers and authority granted in such plans, determines any incentive allowances to be made to our officers and staff, administers all of our stock option plans and other equity ownership, compensation, retirement and benefit plans, approves the performance-based compensation of individuals pursuant to Code Section 162(m) and administers other matters relating to compensation or benefits. The compensation committee met four times during 2002.

Director Compensation. Employee directors do not receive compensation for their services as directors. Each non-employee member of our board of directors receives \$1,500 for each meeting of the Board of Directors attended by the member, up to a maximum of \$6,000 per year. Each non-employee member of our Board of Directors receives an additional \$2,500 per year if the member serves on one or more committees of our Board of Directors. Additionally, upon the date of election or re-election as a member of our Board of Directors, each non-employee director is awarded non-statutory stock options for 2,500 shares of our common stock, which vest at the expiration of 12 months from the date of grant and have a term of 10 years. We will review our compensation arrangement for directors from time to time.

PROPOSAL 2:
Approval of the Westwood Stock Incentive Plan

The board of directors has approved the Amended and Restated Westwood Holdings Group, Inc. Stock Incentive Plan, a copy of which is attached to this proxy as Appendix B (the "Stock Incentive Plan"), and has directed that the plan be submitted to the stockholders for approval. Stockholder approval of the plan is being sought for the purposes of: (i) enabling the plan to satisfy a requirement of Section 162(m) of the Code ("Section 162(m)") relating to performance-based compensation that is not subject to a \$1 million deductibility limit; and (ii) permitting the award of incentive stock options (as defined in Section 422 of the Code) under the plan to employees.

Section 162(m) limits to \$1 million the deduction that a publicly-held corporation may take for federal income tax purposes for compensation paid in any year to each of its five highest paid officers. In order to preserve the tax deductibility of compensation paid upon the exercise of options granted under the plan, if total compensation for one of the five highest paid officers exceeds \$1 million, the stockholders must approve the plan, including the limit upon the maximum number of options which may be awarded to any employee in any calendar year.

The plan terms are summarized below.

Westwood Stock Incentive Plan.

General. We believe that the Stock Incentive Plan will encourage eligible participants, through their individual efforts, to improve our overall performance and to promote profitability by providing them an opportunity to participate in the increased value they help create. There are 948,100 shares of our common stock reserved for issuance under the Stock Incentive Plan. Our officers, directors, employees and consultants are eligible to receive awards under the Stock Incentive Plan, which is administered by the compensation committee of our board of directors. Our board of directors may terminate or amend the Stock Incentive Plan at any time, but must obtain stockholder approval in certain circumstances. No termination or amendment of the Stock Incentive Plan shall adversely affect any then outstanding option or other award without the consent of the holder, unless such termination or amendment is required to enable an option to qualify as an incentive stock option or is necessary to comply with any applicable law, regulation or rule. The Stock Incentive Plan will terminate in 2012 unless terminated earlier by our board of directors.

Section 162(m) Limit on Awards of Options. The Plan limits the maximum number of shares for which options may be awarded to any employee in any calendar year to 316,033 shares (subject to adjustment for any changes in capital structure).

Options. Options granted under the Stock Incentive Plan may be in the form of incentive stock options (as defined under Section 422 of the Code) or non-statutory stock options. Only our employees are eligible to receive incentive stock options. In general, all options granted under the Stock Incentive Plan will lapse no more than ten years from the date of grant (five years in the case of an incentive stock option granted to a 10% stockholder of us or one of our subsidiaries). The exercise price of any option will be determined by the compensation committee at the time the option is granted and will not be less than 100% of the fair market value per share of our common stock on the date the option is granted (110% in the case of an incentive stock option granted to a 10% stockholder of us or one of our subsidiaries). The aggregate fair market value on the date of grant of the common stock for which incentive stock options are exercisable by an optionee during any calendar year may not exceed \$100,000. Any options granted

5

pursuant to the terms of the Stock Incentive Plan shall be evidenced by an option agreement specifying the number of shares of our stock covered thereby and other terms and conditions as are determined by the compensation committee.

Options to Non-Employee Directors. Pursuant to the Stock Incentive Plan, each of our non-employee directors shall on the date of election or re-election as a member of our board of directors, be granted a non-statutory stock option for 2,500 shares of our common stock at an exercise price equal to

the closing price per share as reported by the NYSE on the date of election or re-election. Each non-statutory stock option granted to our non-employee directors shall vest at the expiration of twelve months from the date of the grant and shall have a term of ten years. Expiration of a non-employee director's term of office shall not affect a non-employee director's right to exercise its option to the extent such option is vested at any time prior to the expiration of the director's term.

Restricted Stock Awards. The compensation committee of our board of directors may also make awards of restricted shares of our stock. The vesting and number of restricted shares of our stock may be conditioned upon the lapse of time or the satisfaction of other factors determined by the compensation committee. The recipient of restricted shares will generally have the rights and privileges of a stockholder with respect to the right to receive dividends and the right to vote the shares. None of the restricted shares may be sold, transferred or pledged during the restricted period, and all restricted shares shall be forfeited, and all rights to the shares will terminate, if the recipient ceases to be an employee, consultant or director of us or any of our subsidiaries before the expiration or termination of the restricted period and satisfaction of any other conditions prescribed by us with respect to the shares.

Purchase Rights. The compensation committee of our board of directors may also make awards of stock purchase rights, which entitle the holder to purchase a specified number of shares of our common stock during the period of time, and subject to the terms and conditions, as the compensation committee determines. Each award of purchase rights may have a different exercise period or periods, shall specify the method of payment (which may include promissory notes) to purchase our stock and shall set forth any repurchase rights or calls applicable to the purchased stock.

Annual Incentive Awards. The compensation committee of our board of directors may also grant annual incentive awards of stock, cash or any combination of stock and cash to our employees, in such amounts and subject to such terms and conditions as the compensation committee may determine.

Performance-Based Awards. The compensation committee of our board of directors may also grant performance-based awards of the right, expressed in units, to receive stock, cash or any combination of stock and cash, to eligible officers or other key employees as determined by the compensation committee in its sole discretion. At the time of each grant of a performance-based award, the compensation committee shall establish an objective formula for computing the award based upon the attainment of various performance goals over a performance cycle of at least one year. Performance goals may include minimum, maximum and target levels of performance, with the size of the award based on the level of performance attained. The number of shares of stock and/or the amount of cash payable in settlement of a performance-based award shall be determined by the committee at the end of the performance cycle. The compensation committee may, in its discretion, eliminate or reduce the amount of any performance-based award that otherwise would be payable to a participating officer or other employee unless the participant has a vested right under applicable employment law to receive the full performance-based award. Performance-based awards may be made alone, or in addition to, other grants and awards under the Stock Incentive Plan.

Discretionary Bonus Awards. The compensation committee of our board of directors may also grant discretionary bonus awards of stock, cash or any combination of stock and cash to our officers and key employees in such amounts and subject to such terms and conditions as the compensation committee may determine.

Material Federal Income Tax Consequences of the Stock Incentive Plan.

The following is a summary of the material United States federal income tax consequences associated with awards granted under the Stock Incentive Plan. This summary is based upon present federal income tax laws and regulations and does not purport to be a complete description of the federal income tax consequences applicable to a participant or the Company. This summary does not cover any federal employment tax consequences or any foreign, state, local, estate and gift, or other tax consequences.

Nonqualified Stock Options. A participant will not recognize any taxable income upon the grant of a nonqualified stock option. A participant will recognize ordinary income upon the exercise of a nonqualified stock option in an amount equal to the difference between the fair market value of the common stock

received on the date of exercise and the exercise price paid for the stock.

6

Incentive Stock Options. A participant will generally not recognize any taxable income upon either the grant or exercise of an incentive stock option. However, for purposes of the alternative minimum tax, upon the exercise of an incentive stock option, a participant is required to include the difference between the option exercise price and the fair market value of the common stock received, in alternative minimum taxable income for purposes of calculating the alternative minimum tax. If a participant sells or otherwise disposes of common stock acquired pursuant to the exercise of an incentive stock option within either two years from the date of grant or one year from the date of exercise of the option (an "Early Disposition"), the participant will recognize ordinary income at the time of the Early Disposition in an amount equal to the lesser of (i) the excess of the amount realized by the participant on the Early Disposition over the exercise price of the option, or (ii) the excess of the fair market value of the common stock on the date of exercise over the exercise price of the option. The excess, if any, of the amount realized by the participant on the Early Disposition over the fair market value of the common stock on the date of exercise will be capital gain, and will either be short term (taxable at ordinary income tax rates) or long term gain, depending on the participant's holding period with respect to the common stock. If a participant disposes of the common stock for an amount that is less than the participant's tax basis in the common stock, the difference between the amount realized in the Early Disposition and the tax basis will generally be capital loss, and will either be short term or long term depending on the participant's holding period for the common stock.

Purchase Rights. A participant who receives an award of a purchase right will not recognize any taxable income at the time of the grant. A participant will recognize ordinary compensation income at the time the purchase right is exercised in an amount equal to the difference between the fair market value of the common stock on the date of purchase and the purchase price paid by the participant for such stock.

Annual Incentive Awards, Performance Based Awards and Discretionary Bonus Awards. A participant who receives cash pursuant to an annual incentive award, a performance-based award or a discretionary bonus award will recognize ordinary income equal to the amount of cash received. Except as discussed below in the section entitled "Common Stock Subject to a Substantial Risk of Forfeiture," a participant who receives shares of Common Stock pursuant to an annual incentive award, a performance-based award or a discretionary bonus award will recognize ordinary income in an amount equal to the fair market value of the common stock at the time of the receipt of the shares.

Common Stock Subject to a Substantial Risk of Forfeiture. If a participant receives common stock that is subject to a substantial risk of forfeiture (whether pursuant to an award of restricted stock, in payment for an annual incentive award, a performance-based award or a discretionary bonus award, or upon the exercise of a purchase right), unless the participant files an election under Section 83(b) of the Code (discussed below), the participant will not recognize any income at the time of receipt of the stock, but will recognize ordinary income when the restrictions on the shares lapse, in an amount equal to the difference between the fair market value of the stock at the time the restrictions lapse and the amount paid, if any, for the stock. However, a participant who receives common stock that is subject to a substantial risk of forfeiture can elect to include the fair market value of the stock in income at the time of its receipt by filing an election with the Internal Revenue Service under section 83(b) of the Code within 30 days after the date of such receipt.

Availability of Tax Deduction for the Company. When ordinary income is recognized by a participant in connection with the receipt or exercise of an award under the Stock Incentive Plan (including the filing of an election under section 83(b) of the Code), the Company will generally be entitled to a deduction for federal income tax purposes at the same time and in the same amount, assuming the requisite withholding requirements are met.

Compensation paid by the Company to each of its five highest paid officers is subject to the deduction limits of Section 162(m). If approved by the Company's stockholders, the Stock Incentive Plan will enable the Company to grant options that will be exempt from the deduction limits of Section 162(m).

Plan Benefits.

Because awards under the Stock Incentive Plan are determined by the compensation committee in its sole discretion, we cannot determine the benefits or amounts that will be received or allocated in the future under the Plan. The table below shows stock options and bonuses awarded in 2002 to the individuals and groups indicated. These awards are not necessarily indicative of awards that the compensation committee may make in the future.

Stockholder Approval Requirement. The approval of the Stock Incentive Plan requires the affirmative vote of a majority of the shares represented in person or by proxy at the annual meeting. All proxies solicited by the board of directors will be voted "FOR" this Proposal unless stockholders specify in their proxies a contrary vote. Broker non-votes and abstentions will not be counted as votes for this Proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY
 RECOMMENDS A VOTE FOR PROPOSAL TWO.

PROPOSAL 3:

Approval of the Material Terms of the Annual Incentive Award
 for the Chief Executive Officer

Subject to stockholder approval, the compensation committee of the

board of directors has approved the material terms of an annual incentive award for the chief executive officer of Westwood, Susan M. Byrne, effective January 1, 2003.

Section 162(m) of the Internal Revenue Code disallows deductions for publicly-held corporations with respect to compensation in excess of \$1,000,000 paid to certain executive officers. However, compensation payable solely on account of attainment of one or more performance goals is not subject to this deduction limitation if:

- o the performance goals are objective, pre-established and determined by a compensation committee comprised solely of two or more outside directors;
- o the material terms of the performance goals under which the compensation is to be paid are disclosed to the stockholders and approved by a majority vote; and
- o the compensation committee certifies that the performance goals and other material terms were in fact satisfied before the compensation is paid.

The purpose of seeking stockholder approval of the chief executive officer's annual incentive award is to meet the requirements of Section 162(m).

Performance Goal. On March 28, 2002, the compensation committee of our board of directors approved a performance goal for the chief executive officer's annual incentive award for the 2003 year and for each subsequent year until revised by the compensation committee. The approval of the compensation committee of our board of directors was expressly subject to stockholder approval. The performance goal is based on our pre-tax profits, determined based on our audited financial statements. The chief executive officer's annual incentive award will equal not more than 10% of our pre-tax profits (subject to the compensation committee's discretion to reduce the bonus to less than the 10% formula amount).

Assuming the stockholders approve the material terms of the performance goal as described herein, we believe that the annual incentive award paid to the chief executive officer will qualify as performance-based compensation, and will be deductible for federal income tax purposes. If the stockholders do not approve the performance goal, the incentive award will not be deductible to the extent that it, together with other compensation paid to the chief executive officer, exceeds \$1 million.

Annual Incentive Award Benefits.

Because the annual incentive award is based on pre-tax profits, the amount of the benefits that will be received by the chief executive officer in the future cannot be determined. The table below shows the annual incentive award earned in 2002 by the chief executive officer for the portion of the year following the company's spin-off from SWS Group, Inc. on June 28, 2002. This award is not necessarily indicative of the amount of the award that the chief executive officer will earn in the future, and it is likely to be less than future awards that cover an entire year.

(1) The annual incentive award was accrued between the date of the spin-off and December 31, 2002, but not paid until 2003.

Vote Required and Recommendation

The approval of the material terms of the annual incentive award for our chief executive officer requires the affirmative vote of a majority of the shares represented in person or by proxy at the annual meeting. All proxies solicited by the board of directors will be voted "FOR" this Proposal unless stockholders specify in their proxies a contrary vote. Broker non-votes and abstentions will not be counted as votes for this Proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY
RECOMMENDS A VOTE FOR PROPOSAL THREE.

PROPOSAL 4:

Ratification of Deloitte & Touche LLP as Independent Auditors

Upon the recommendation of our audit committee, our board of directors has selected Deloitte & Touche LLP as our independent auditors for 2003. Representatives of Deloitte & Touche LLP are expected to attend the annual meeting to answer appropriate questions and may make a statement if they so desire.

9

On June 20, 2002, Westwood dismissed Arthur Andersen LLP as its independent auditors and engaged Deloitte & Touche LLP as the Company's independent auditors for the year ending December 31, 2002. The dismissal was approved by our audit committee. The audit reports of Arthur Andersen LLP on the consolidated financial statements of Westwood as of and for the years ended December 31, 2001 and 2000 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the two years ended December 31, 2001, and the subsequent interim period through June 20, 2002, there were no disagreements between Westwood and Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure.

None of the reportable events described under Item 304(a)(1)(v) of Regulation S-K have occurred within the two years ended December 31, 2001 or within the interim period through June 20, 2002.

Arthur Andersen LLP was provided with a copy of this disclosure and has furnished a letter addressed to the Securities and Exchange Commission stating that they have found no basis for disagreement with the above statements. A copy of Arthur Andersen LLP's letter to the Securities and Exchange Commission is filed as Exhibit 16.1 to Westwood's Form 8-K filed on June 20, 2002.

During the two years ended December 31, 2001 and the subsequent interim period through June 20, 2002, Westwood did not consult Deloitte & Touche LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on its consolidated financial statements, or any other matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

Audit Fees. The aggregate fees billed for professional services rendered by Deloitte & Touche LLP for the audit of Westwood's annual financial statements for the year ended December 31, 2002 and the reviews of the financial statements included in Westwood's second and third quarter 2002 Forms 10-Q were \$69,000. Arthur Andersen LLP did not conduct an audit of Westwood's annual financial statements for the year ended December 31, 2002 but reviewed its first quarter 2002 financial statements included in Westwood's Form 10 (as declared effective in June 2002).

Financial Information Systems Design and Implementation Fees. During 2002, neither Deloitte & Touche LLP nor Arthur Andersen LLP billed Westwood any fees related to professional services rendered for financial information systems design and implementation.

All Other Fees. The aggregate fees billed for all services rendered by Deloitte & Touche LLP not related to auditing Westwood's financial statements or financial information systems design and implementation for the year ended December 31, 2002 were \$1,300. The aggregate fees billed for all services

rendered by Arthur Andersen LLP not related to auditing Westwood's financial statements or financial information systems design and implementation for the year ended December 31, 2002 were \$90,700.

Vote Required and Recommendation

The affirmative vote of a majority of the shares represented in person or by proxy at the annual meeting is needed to ratify the selection of Deloitte & Touche LLP as independent auditors for 2003. All proxies solicited by the board of directors will be voted "FOR" the ratification of Deloitte & Touche LLP unless stockholders specify in their proxies a contrary vote. Broker non-votes and abstentions will not be counted as votes for this Proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT AUDITORS FOR 2003.

therefore, are not intended to forecast further appreciation, if any, of the respective underlying common stock. The potential realizable value to the optionees was computed as the difference between the appreciated value at the expiration date of the stock options of the applicable underlying common stock obtainable upon exercise of such stock options over the aggregate exercise price of such stock options.

(2) All options shown were granted under the Stock Incentive Plan effective July 2, 2002, and will vest 25% upon each anniversary thereof.

The following table sets forth information concerning the exercise of our stock options during the year ended December 31, 2002 by the Named Executive Officers and the number and aggregate value of unexercised in-the-money options for our stock options at December 31, 2002. The actual amount, if any, realized on exercise of stock options will depend on the amount by which the market price of our common stock on the date of exercise exceeds the exercise price. The actual value realized on the exercise of unexercised in-the-money stock options (whether exercisable or unexercisable) may be higher or lower than the values reflected in this table.

Stock Incentive Plan and the Westwood Holdings Group, Inc. Deferred Compensation Plan, the only equity compensation plans of the Company in effect at that time. Both of these Plans were approved by our stockholders prior to the completion of the spin-off, although we are seeking stockholder approval of the Westwood Holdings Group, Inc. Stock Incentive Plan from our public stockholders at the annual meeting.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No member of our compensation committee is a current or former officer or employee of Westwood or its subsidiaries or has had a relationship requiring disclosure by Westwood under applicable federal securities regulations. No executive officer of Westwood served as a director or member of the compensation committee of any entity that has one or more executive officers serving as a member of our board of directors or compensation committee.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On December 14, 2001, we issued to SWS 5,394,522 shares of our common stock, and on that same date, SWS sold shares of our common stock, constituting 19.82% of Westwood's outstanding common stock, to our executive officers for an aggregate of \$4.1 million pursuant to a stock purchase agreement. The purchase price for the shares sold by SWS to our executive officers was premised upon an understanding reached in October 2001 that SWS would sell the shares of Westwood common stock based on their value at September 30, 2001, and was based on a valuation as of September 30, 2001, covering the shares sold, which valuation was delivered to the SWS Board in December 2001 and took into account the fact that the shares represented a minority interest in closely held, non-marketable securities. The issuance of shares to SWS and the resale of those shares to the executive officers were effected in reliance on private placement exemptions from the registration requirements of the Securities Act.

Each executive officer received a loan from us pursuant to a promissory note to pay for their shares of our common stock purchased from SWS. The loans totaled \$4.1 million and are full recourse loans, secured by a pledge of the shares purchased by each executive officer. The loans can be fully or partially prepaid, and in the event of a partial prepayment, the number of shares subject to the related pledge would be released on a pro rata basis. The loans bear interest at the rate of 3.93% per annum, compounded semi-annually, payable annually, with the principal payable at maturity on the ninth anniversary of the date of the loans. If an executive officer's employment is terminated for cause, or an executive officer terminates his or her employment without good reason, his or her loan will accelerate and become payable in full within 90 days following termination of employment.

The table below identifies each executive officer who purchased shares of Westwood common stock from SWS, the number of shares each executive officer purchased and the amount of the promissory note executed by each executive officer.

Name of Executive Officer	Number of Shares	
	Purchased from SWS	Amount of Promissory Note
Susan M. Byrne	722,750	\$2,766,960
Brian O. Casey	240,917	\$922,320
Patricia R. Frazee	25,096	\$96,075
Lynda J. Calkin	40,153	\$153,720 (1)
Joyce A. Schaer	40,153	\$153,720

(1) Ms. Calkin resigned from Westwood effective January 31, 2003 and, as of that date, she has repaid her promissory note in full.

Ms. Calkin resigned from Westwood effective January 31, 2003 and entered into a Separation Agreement and Mutual Release of Claims with Westwood Management. Pursuant to the terms of the Separation Agreement, Ms. Calkin received a severance payment of \$233,500, a portion of which was used to repay her promissory note to Westwood issued in December 2001 to purchase shares of

our common stock from SWS. The Severance Agreement contains standard release, non-disparagement and confidentiality provisions.

All future material transactions involving affiliated parties will be subject to approval by a majority of Westwood's disinterested directors.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act of 1934 requires Westwood's directors and executive officers, and persons who own more than ten percent of a registered class of Westwood's equity securities to file with the SEC initial statements of beneficial ownership of securities and subsequent changes in beneficial ownership. Westwood's officers, directors and greater-than-ten-percent stockholders are required by the SEC's regulations to furnish Westwood with copies of all Section 16(a) forms they file.

To Westwood's knowledge, based solely on a review of the copies of such reports furnished to Westwood and written representations that no other reports were required, during the year ended December 31, 2002, its officers, directors and greater-than-ten-percent beneficial owners timely complied with all Section 16(a) filing requirements applicable to them.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The compensation committee consists of Messrs. Meyer, Mosle and Wooldridge, each a non-employee director of Westwood. Mr. Meyer serves as Chairman of the compensation committee. This Report will describe (i) the compensation committee's compensation policies generally applicable to Westwood's executive officers; and (ii) the basis for Ms. Byrne's compensation in 2002, including the factors and criteria on which Ms. Byrne's compensation was based, and the relationship of Westwood's performance to her compensation.

Compensation Policies

The compensation committee's policies are aimed at achieving close alignment between its executives' overall compensation opportunity and Westwood's financial performance, and at retaining the services of key members of its management team. The compensation committee considers the performance of Westwood relative to other companies in its peer group, and assesses management performance on both an individual and aggregate basis.

Base Salary

The compensation committee annually reviews its base compensation levels and considers competitive levels of base pay relative to peer companies in the industry. Base salary levels for 2002 were maintained at the same amounts as the ending base salaries for 2001, with an emphasis placed on other performance-based compensation incentives.

Performance-Based Compensation

Prior to the spin-off of Westwood from SWS, Westwood's executive officers and other employees participated in an annual bonus pool. The formula for the bonus pool was equal to 50% of pre-tax profits up to \$2.0 million, 25% of pre-tax profits in excess of \$2.0 million, plus 100% of pre-tax profits derived from the Gabelli Westwood Funds. The compensation committee considered the history and criteria for employee bonuses prior to the spin-off in developing its bonus plan for officers following the spin-off.

Pursuant to the terms of the Stock Incentive Plan, the compensation committee adopted an Annual Incentive Plan (the "AIP"), effective for periods following the spin-off, under which a bonus pool is established based on financial performance criteria. This criteria is based on pre-tax profits, which operates as a stimulus to achieving improvement in the financial performance of Westwood. For 2002, the compensation committee approved an AIP cash bonus pool equal to \$2.9 million. The compensation committee makes recommendations to the board of directors regarding the allocation of the AIP bonus pool among officers of Westwood. For 2002, the compensation committee granted discretion to the Chief Executive Officer and President to allocate the remainder of the AIP bonus pool among other employees.

16

Discretionary Bonus Awards

The compensation committee may also grant discretionary bonus awards of stock, cash or any combination of stock and cash to our officers and key employees in such amounts and subject to such terms and conditions as the compensation committee may determine.

Equity-based Compensation

Westwood's common stock was distributed in a spin-off from SWS during 2002, and commenced trading on the New York Stock Exchange. Westwood believes that the opportunity to award stock options and other forms of equity-based compensation to recruit and retain talented personnel is a key advantage to operating as an independent public company. Westwood's ability to grant equity-based compensation awards differentiates it from some of its competitors. The compensation committee intends to grant some form of equity-based compensation awards annually. For 2002, the compensation committee determined individual option grants based on each employee's tenure with Westwood, position, and peer review performance ranking, as well as qualitative evaluations provided by Westwood's Chief Executive Officer and President. Grants of stock options to Westwood's Named Executive Officers based on the compensation committee's review for 2002 are set forth under "Executive Compensation - Options Granted in Last Year."

Compensation of the Chief Executive Officer

In determining the compensation for Ms. Byrne, the compensation committee takes into account that Ms. Byrne is the founder of Westwood, and is a widely known and respected member of the financial community whose reputation enhances the stature of Westwood, and is critical to its ongoing marketing efforts. The compensation committee reviews Ms. Byrne's compensation in relation to the performance of Westwood's proprietary accounts, and its client accounts for which she has primary responsibility in setting investment policy.

Ms. Byrne's base salary for 2002 was maintained at approximately the same level as the prior year with the emphasis being placed on annual cash incentive awards and long-term equity incentive awards. Ms. Byrne participates in the AIP, and the compensation committee determines each year the maximum amount that she may earn based on the financial criteria for the Plan. For the portion of the 2002 year following the spin-off, and for future years (until changed by the compensation committee), Ms. Byrne's maximum performance bonus is equal to 10% of Westwood's pre-tax profits (subject to the compensation committee's discretion to reduce the bonus to less than the 10% formula amount). In recognition of the bonus paid to Ms. Byrne prior to the completion of the spin-off in June 2002, Ms. Byrne was awarded a 2002 AIP bonus in an amount less than 10% of Westwood's pre-tax profits for the portion of 2002 following completion of the spin-off. Additionally, the compensation committee made a discretionary bonus award to Ms. Byrne for 2002.

Deductibility of Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, limits the tax deduction for compensation in excess of \$1 million paid to the chief executive officer and the next four most highly compensated executive officers of a publicly held corporation. The compensation committee considers it important to preserve the tax deductibility of compensation for its executive officers, consistent with achieving its goal of retaining its management team. The stockholders of Westwood are being asked to approve the Westwood Stock Incentive Plan and the annual incentive award for the Company's Chief Executive Officer in order to permit the payment of fully deductible performance-based compensation under those Plans.

In conjunction with its other activities, the audit committee reviewed and discussed Westwood's audited financial statements for the year ended December 31, 2002 with its management. The members of the audit committee also discussed with Deloitte & Touche LLP the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Section 380) and considered whether the provision of nonaudit services by Deloitte & Touche LLP is compatible with maintaining the independence of Deloitte & Touche LLP. The audit committee received from Deloitte & Touche LLP the written disclosures and the letter required by Independence Standards Board Standard No. 1, and discussed with Deloitte & Touche LLP their independence.

Based on the foregoing review and discussions, the audit committee recommended to the board of directors that the audited financial statements be included in Westwood's Annual Report on Form 10-K for the year ended December 31, 2002.

The audit committee has reviewed and reassessed the adequacy of its written charter, a copy of which is attached to this proxy as Appendix A. The audit committee expects to amend its charter in 2003 to comply with applicable provisions of the Sarbanes-Oxley Act of 2002 and proposed New York Stock Exchange rules as they become effective.

5. ELIGIBILITY AND OPTION LIMITATIONS.

- 5.1 Persons Eligible for Awards. Awards may be granted pursuant to this Plan only to Employees, Consultants, and Directors. For purposes of the foregoing sentence, "Employees," "Consultants" and "Directors" shall include prospective Employees, prospective Consultants and prospective Directors to whom Awards are granted in connection with written offers of an employment or other service relationship with the Participating Company Group. Eligible persons may be granted more than one (1) Award.
- 5.2 Option Grant Restrictions. Any person who is not an Employee on the effective date of the grant of an Option to such person may be granted only a Nonstatutory Stock Option. An Incentive Stock Option granted to a prospective Employee upon the condition that such person become an Employee shall be deemed granted effective on the date such person commences Service with a Participating Company, with an exercise price determined as of such date in accordance with Section 6.1.
- 5.3 Fair Market Value Limitation. To the extent that Options designated as Incentive Stock Options (granted under all stock option plans of the Participating Company Group, including the Plan) become exercisable by a Participant for the first time during any calendar year for Stock having a Fair Market Value greater than One Hundred Thousand Dollars (\$100,000), the portions of such Options which exceed such amount shall be treated as Nonstatutory Stock Options. For purposes of this Section 5.3, options designated as Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of Stock shall be determined as of the time the Option with respect to such Stock is granted. If the Code is amended to provide for a different limitation from that set forth in this Section 5.3, such different limitation shall be deemed incorporated herein effective as of the date and with respect to such Options as required or permitted by such amendment to the Code. If an Option is treated as an Incentive Stock Option in part and as a Nonstatutory Stock Option in part by reason of the limitation set forth in this Section 5.3, the Participant may designate which portion of such Option the Participant is exercising. In the absence of such designation, the Participant shall be deemed to have exercised the Incentive Stock Option portion of the Option first. Separate certificates representing each such portion shall be issued upon the

exercise of the Option.

6. TERMS AND CONDITIONS OF OPTIONS.

Options shall be evidenced by Option Agreements specifying the number of shares of Stock covered thereby, in such form as the Board shall from time to time establish. No Option or purported Option shall be a valid and binding obligation of the Company unless evidenced by a fully executed Option Agreement. Option Agreements may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

- 6.1 **Exercise Price.** The exercise price for each Option shall be established in the discretion of the Board; provided, however, that (a) the exercise price per share for an Option shall be not less than the Fair Market Value of a share of Stock on the effective date of grant of the Option, and (b) no Incentive Stock Option granted to a Ten Percent Owner Participant shall have an exercise price per share less than one hundred ten percent (110%) of the Fair Market Value of a share of Stock on the effective date of grant of the Option. Notwithstanding the foregoing, an Option (whether an Incentive Stock Option or a Nonstatutory Stock Option) may be granted with an exercise price lower than the minimum exercise price set forth above if such Option is granted pursuant to an assumption or substitution for another option in a manner qualifying under the provisions of Section 424(a) of the Code.
- 6.2 **Exercisability and Term of Options.** Options shall be exercisable at such time or times, or upon such event or events, and subject to such terms, conditions, performance criteria and restrictions as shall be determined by the Board and set forth in the Option Agreement evidencing such Option; provided, however, that (a) no Option shall be exercisable after the expiration of ten (10) years after the effective date of grant of such Option, (b) no Incentive Stock Option granted to a Ten Percent Owner Participant shall be exercisable after the expiration of five (5) years after the effective date of grant of such Option, and (c) no Option granted to a prospective Employee, prospective Consultant

or prospective Director may become exercisable prior to the date on which such person commences Service with a Participating Company. Subject to the foregoing, unless otherwise specified by the Board in the grant of an Option, any Option granted hereunder shall terminate ten (10) years after the effective date of grant of the Option, unless earlier terminated in accordance with its provisions.

6.3 **Payment of Exercise Price.**

- (a) **Forms of Consideration Authorized.** Except as otherwise provided below, payment of the exercise price for the number of shares of Stock being purchased pursuant to any Option shall be made (i) in cash, by check or cash equivalent, (ii) by tender to the Company, or attestation to the ownership, of shares of Stock owned by the Participant having a Fair Market Value (as determined by the Company without regard to any restrictions on transferability applicable to such stock by reason of federal or state securities laws or agreements with an underwriter for the Company) not less than the exercise price, (iii) by delivery of a properly executed notice together with irrevocable instructions to a broker providing for the assignment to the Company of the proceeds of a sale or loan with respect to some or all of the shares being acquired upon the exercise of the Option (including, without limitation, through an exercise complying with the provisions of Regulation T as promulgated from time to time by the Board of Governors of the Federal Reserve System) (a "Cashless Exercise"), (iv) provided that the Participant is an Employee and in the Company's sole discretion at the time the Option is exercised, by delivery of the Participant's promissory note in a form approved by the Company for the aggregate exercise price, provided that, if the Company is incorporated in the State of Texas, the Participant shall pay in cash that portion of the aggregate exercise price not less than the par value of the shares being acquired, (v) by such other consideration as may be approved by

the Board from time to time to the extent permitted by applicable law, or (vi) by any combination thereof. The Board may at any time or from time to time, by approval of or by amendment to the standard forms of Option Agreement described in Section 7, or by other means, grant Options which do not permit all of the foregoing forms of consideration to be used in payment of the exercise price or which otherwise restrict one or more forms of consideration.

(b) Limitations on Forms of Consideration.

- (i) Tender of Stock. Notwithstanding the foregoing, an Option may not be exercised by tender to the Company, or attestation to the ownership, of shares of Stock to the extent such tender or attestation would constitute a violation of the provisions of any law, regulation or agreement restricting the redemption of the Company's stock. Unless otherwise provided by the Board, an Option may not be exercised by tender to the Company, or attestation to the ownership, of shares of Stock unless such shares either have been owned by the Participant for more than six (6) months or were not acquired, directly or indirectly, from the Company.
- (ii) Cashless Exercise. The Company reserves, at any and all times, the right, in the Company's sole and absolute discretion, to establish, decline to approve or terminate any program or procedures for the exercise of Options by means of a Cashless Exercise,
- (iii) Payment by Promissory Note. No promissory note shall be permitted if the exercise of an Option using a promissory note would be a violation of any law. Any permitted promissory note shall be on such terms as the Board shall determine at the time the Option is granted. The Board shall have the authority to permit or require the Participant to secure any promissory note used to exercise an Option with the shares of Stock acquired upon the exercise of the Option or with other collateral acceptable to the Company. Unless otherwise provided by the Board, if the Company at any time is subject to the regulations promulgated by the Board of

Governors of the Federal Reserve System or any other governmental entity affecting the extension of credit in connection with the Company's securities, any promissory note shall comply with such applicable regulations, and the Participant shall pay the unpaid principal and accrued interest, if any, to the extent necessary to comply with such applicable regulations.

- 6.4 Tax Withholding. The Company shall have the right, but not the obligation, to deduct from the shares of Stock issuable upon the exercise of an Option, or to accept from the Participant the tender of, a number of whole shares of Stock having a Fair Market Value, as determined by the Company, equal to all or any part of the federal, state, local and foreign taxes, if any, required by law to be withheld by the Participating Company Group with respect to such Option or the shares acquired upon the exercise thereof. Alternatively or in addition, in its discretion, the Company shall have the right to require the Participant, through payroll withholding, cash payment or otherwise, including by means of a Cashless Exercise, to make adequate provision for any such tax withholding obligations of the Participating Company Group arising in connection with the Option or the shares acquired upon the exercise thereof the Fair Market Value of any shares of Stock withheld or tendered to satisfy any such tax withholding obligations shall not exceed the amount determined by the applicable minimum statutory withholding rates, the Company shall have no obligation to deliver shares of Stock or to release shares of Stock from an escrow established pursuant to the Option Agreement until the Participating Company Group's tax withholding obligations have been satisfied by the Participant.

6.5 Repurchase Rights. Shares issued under the Plan may be subject to a right of first refusal, one or more repurchase options, or other conditions and restrictions as determined by the Board in its discretion at the time the Option is granted. The Company shall have the right to assign at any time any repurchase right it may have, whether or not such right is then exercisable, to one or more persons as may be selected by the Company. Upon request by the Company, each Participant shall execute any agreement evidencing such transfer restrictions prior to the receipt of shares of Stock hereunder and shall promptly present to the Company any and all certificates representing shares of Stock acquired hereunder for the placement on such certificates of appropriate legends evidencing any such transfer restrictions.

6.6 Effect of Termination of Service.

(a) Option Exercisability. Subject to earlier termination of the Option as otherwise provided herein and unless otherwise provided by the Board in the grant of an Option and set forth in the Option Agreement, an Option shall be exercisable after a Participant's termination of Service only during the applicable time period determined in accordance with this Section 6.6 and thereafter shall terminate:

(i) Disability. If the Participant's Service with the Participating Company Group terminates because of the Disability of the Participant, the Option, to the extent unexercised and exercisable on the date on which the Participant's Service terminated, may be exercised by the Participant (or the Participant's guardian or legal representative) at any time prior to the expiration of one (1) year (or such other period of time as determined by the Board, in its discretion) after the date on which the Participant's Service terminated, but in any event no later than the date of expiration of the Option's term as set forth in the Option Agreement evidencing such Option (the "Option Expiration Date").

(ii) Death. If the Participant's Service with the Participating Company Group terminates because of the death of the Participant, the Option, to the extent unexercised and exercisable on the date on which the Participant's Service terminated, may be exercised by the Participant's legal representative or other person who acquired the right to exercise the Option by reason of the Participant's death at any time prior to the expiration of one (1) year (or such other period of

time as determined by the Board, in its discretion) after the date on which the Participant's Service terminated, but in any event no later than the Option Expiration Date. The Participant's Service shall be deemed to have terminated on account of death if the Participant dies within three (3) months (or such other period of time as determined by the Board, in its discretion) after the Participant's termination of Service.

(iii) Cause. If the Participant's Service with the Participating Company Group is terminated for Cause, the Option shall terminate and cease to be exercisable immediately upon such termination of Service.

(iv) Termination After Change in Control. Except as otherwise specified in an Option Agreement, if the Participant's Service with the Participating Company Group ceases as a result of Termination After Change in Control, then (1) the Option, to the extent unexercised and exercisable on the date on which the Participant's Service terminated, may be exercised by the Participant (or the Participant's guardian or legal representative) at any time prior to the expiration of three (3) months (or such longer period of time as determined by the Board, in its sole discretion) after the date on which the Participant's Service terminated, but in any event no later than the Option

Expiration Date, and (2) any unexercisable or unvested portion of the Option shall become fully vested and exercisable as of the date on which the Participant's Service terminated.

(v) Termination of Service. If the Participant's Service with the Participating Company Group terminates for any reason, except Disability, death or Cause, the Option, to the extent unexercised and exercisable by the Participant on the date on which the Participant's Service terminated, may be exercised by the Participant at any time prior to the expiration of three (3) months (or such other period of time as determined by the Board, in its discretion) after the date on which the Participant's Service terminated, but in any event no later than the Option Expiration Date.

(b) Extension if Exercise Prevented by Law. Notwithstanding the foregoing, if the exercise of an Option within the applicable time periods set forth in Section 6.6(a) is prevented by the provisions of Section 17 below, the Option shall remain exercisable until three (3) months (or such longer period of time as determined by the Board, in its discretion) after the date the Participant is notified by the Company that the Option is exercisable, but in any event no later than the Option Expiration Date.

(c) Extension if Participant Subject to Section 16(b). Notwithstanding the foregoing, if a sale within the applicable time periods set forth in Section 6.6(a) of shares acquired upon the exercise of the Option would subject the Participant to suit under Section 16(b) of the Exchange Act, the Option shall remain exercisable until the earliest to occur of (i) the tenth (10th) day following the date on which a sale of such shares by the Participant would no longer be subject to such suit, (ii) the one hundred and ninetieth (190th) day after the Participant's termination of Service, or (iii) the Option Expiration Date.

6.7 Transferability of Options. Incentive Stock Options granted under the Plan shall not be transferable otherwise than by will or the laws of descent and distribution, or pursuant to a qualified domestic relations order as defined by the Code or Title I of the Employee Retirement Income Security Act of 1974, as amended, or the rules thereunder. Incentive Stock Options shall be exercisable during the lifetime of the Participant only by the Participant or by the Participant's guardian or legal representative (unless such exercise would disqualify an Option as an Incentive Stock Option). With the approval of the Board, the Option Agreement (other than an Incentive Stock Option) may provide that such Option may be transferred without consideration to one or more Permitted Transferees. Any attempted assignment, transfer, pledge, hypothecation or other disposition of an Option or other award contrary to the provisions hereof, or the levy of any

execution, attachment or similar process upon an Option or other award shall be null and void and without effect. As used herein, "Permitted Transferees" means a member of a Participant's immediate family, trusts for the exclusive benefit of such Participant and/or such Participant's immediate family members, and partnerships or other entities in which the Participant and/or such immediate family members are the only partners, provided that no consideration is provided for the transfer. Immediate family members shall include a Participant's spouse, descendants (children, grandchildren and more remote descendants), spouses of descendants, and shall include step-children and relationships arising from legal adoption.

7. STANDARD FORMS OF OPTION AGREEMENT.

7.1 Option Agreement. Unless otherwise provided by the Board at the time the Option is granted, an Option shall comply with and be subject to the terms and conditions set forth in the form of Option Agreement approved by the Board concurrently with its adoption of the Plan and as amended from time to time.

7.2 Authority to Vary Terms. The Board shall have the authority from time to time to vary the terms of any standard form of Option Agreement described in this Section 7 either in connection with the grant or amendment of an individual Option or in connection with the authorization of a new standard form or forms; provided, however, that the terms and conditions of any such new, revised or amended standard form or forms of Option Agreement are not inconsistent with the terms of the Plan.

8. AWARD AND DELIVERY OF OPTIONS TO NON-EMPLOYEE DIRECTORS

Notwithstanding any other provision of the Plan, each Director who is not an Employee (a "Non-Employee Director") shall, shortly after the Spin-off Date and upon each date of election or re-election as a Board member, be granted a Nonstatutory Stock Option for 2,500 shares of Stock. The exercise price for any Options awarded pursuant to this Article 8 shall be equal to one hundred percent (100%) of the Fair Market Value of the shares on the date of grant. Each such Option shall fully vest at the expiration of twelve (12) months from the date of the grant. Each Non-Employee Director Option shall have a term of ten (10) years. Expiration of a Non-Employee Director's term of office shall not affect a Non-Employee Director's right to exercise its Option to the extent such Option is vested at any time prior to the expiration of the Director's term.

9. AWARD AND DELIVERY OF RESTRICTED STOCK

9.1 Restricted Period. At the time an award of Restricted Stock is made, the Committee shall establish a period or periods of time (each a "Restricted Period") or such other restrictions on the vesting of the Restricted Stock as it shall deem appropriate or applicable to such award. Each award of Restricted Stock may have a different Restricted Period or Restricted Periods. The Committee may, in its sole discretion, at the time an award is made, provide for the incremental lapse of Restricted Periods with respect to a portion or portions of the Restricted Stock awarded, and for the lapse or termination of restrictions upon all or any portion of the Restricted Stock upon the satisfaction of other conditions in addition to or other than the expiration of the applicable Restricted Period. The Committee may also, in its sole discretion, shorten or terminate a Restricted Period or waive any conditions for the lapse or termination of restrictions with respect to all or any portion of the Restricted Stock.

9.2 Rights and Privileges. At the time a grant of Restricted Stock is made to a Participant, a stock certificate representing a number of shares of the Company's common stock equal to the number of shares of such Restricted Stock shall be registered in the Participant's name but shall be held in custody by the Company for such Participant's account. The Participant shall generally have the rights and privileges of a stockholder as to such Restricted Stock, including, without limitation, the right to vote the Restricted Stock, except that, subject to the earlier lapse or termination of restrictions as herein provided, the following restrictions shall apply: (i) the Participant shall not be entitled to delivery of the stock certificate evidencing Restricted Stock until the expiration or

termination of the Restricted Period applicable to such shares and the satisfaction of any other conditions prescribed by the Committee; (ii) none of the shares then subject to a Restricted Period shall be sold, transferred, assigned, pledged, or otherwise encumbered or disposed of during the Restricted Period applicable to such shares and until the satisfaction of any other conditions prescribed by the Committee; and (iii) all of the shares then subject to a Restricted Period shall be forfeited and all rights of the Participant to such Restricted Stock shall terminate without further obligation on the part of the Company if the Participant ceases to be an Employee, Consultant or Director of the Company or any of its subsidiaries before the expiration or termination of such Restricted Period and the satisfaction of any other conditions prescribed by the Committee applicable to such Restricted Stock. Dividends on Restricted Stock shall be currently paid; provided, however, that in lieu of paying currently a dividend of shares of Common Stock in respect of Restricted Stock, the Committee may, in its sole discretion, register in the name of a Participant a stock certificate representing such shares of Common Stock issued as a dividend on Restricted Stock, and may cause the

Company to hold such certificate in custody for the Participant's account subject to the same terms and conditions as such Restricted Stock. Upon the forfeiture of any Restricted Stock, such forfeited Restricted Stock shall be transferred to the Company without further action by the Participant.

9.3 Expiration of Restricted Period. Upon the expiration or termination of the Restricted Period applicable to Restricted Stock and the satisfaction of any other conditions prescribed by the Committee or at such earlier time as provided for herein, the restrictions applicable to the Restricted Stock to such Restricted Period shall lapse and a certificate for a number of shares of Common Stock equal to the number of shares of Restricted Stock with respect to which the restrictions have expired or terminated shall be delivered, free of all such restrictions, except any that may be imposed by law, to the Participant. The Company shall not be required to deliver any fractional share of Common Stock but shall pay to the Participant, in lieu thereof, the product of (i) the Fair Market Value per share (determined as of the date the restrictions expire or terminate) and (ii) the fraction of a share to which such Participant would otherwise be entitled.

10. AWARD AND DELIVERY OF PURCHASE RIGHTS

10.1 Purchase Rights. At the time an award of Purchase Rights is made, the Committee shall establish a period or periods of time during which the Purchase Right may be exercised (each an "Exercise Period") or such other restrictions as it shall deem appropriate and applicable to such award. Each award of Purchase Rights may have a different Exercise Period or Exercise Periods. Each award shall specify the method of payment (which may include promissory notes) to purchase Stock and shall set forth any repurchase rights or calls applicable to the purchased Stock.

11. ANNUAL INCENTIVE AWARDS.

11.1 Annual Incentive Awards. The Committee may grant annual incentive awards of Stock or cash (each an "Annual Incentive Award") to such Participants as the Committee may from time to time recommend, in such amounts and subject to such terms and conditions as the Committee in its discretion may determine. The Committee shall establish the maximum amount of Annual Incentive Awards that may be granted for each Performance Cycle. Notwithstanding the foregoing, all Annual Incentive Awards shall be subject to the provisions of paragraphs (a) through (d) below:

(a) Annual Incentive Awards shall be granted in connection with a 12-month Performance Cycle, which shall be the fiscal year of the Company. The first Performance Cycle under the Plan shall commence on January 1, 2002.

(b) Subject to Section 4.1, the Committee shall determine the Participants who shall be eligible to receive an Annual Incentive Award for such Performance Cycle.

(c) The Committee shall fix and establish, in writing, (A) the Performance Measure(s) that shall apply to such Performance Cycle, (B) an objective formula for computing the amount

of the Annual Incentive Awards for such Performance Cycle, where the amount shall be based upon the attainment of various Performance Goals for the applicable Performance Measure(s).

(d) Annual Incentive Awards shall be paid in the form of cash, Stock (including Restricted Stock) or any combination thereof, in the discretion of the Committee. A portion of any payments made in connection with an Annual Incentive Award may, at the election of the Participant, be deferred pursuant to the provisions of the Deferred Compensation Plan.

12. PERFORMANCE-BASED AWARDS.

12.1 Performance-Based Awards. The Committee may grant to officers and

other key Employees of either the Company or any Subsidiary the prospective contingent right, expressed in Units, to receive payments of Stock, cash or any combination thereof, with each Unit equivalent in value to one share of Stock, or equivalent to such other value or monetary amount as may be designated or established by the Committee ("Performance-Based Awards"). Performance-Based Awards shall be earned by Participants only if specified Performance Goals are satisfied in the applicable Performance Cycle. The Committee shall, in its sole discretion, determine the officers and other key Employees eligible to receive Performance-Based Awards. At the time each grant of a Performance-Based Award is made, the Committee shall establish the applicable Performance Cycle, the Performance Measure and Performance Goals in respect of such Performance-Based Award. The number of shares of Stock and/or the amount of cash earned and payable in settlement of a Performance-Based Award shall be determined by the Committee at the end of the Performance Cycle.

- 12.2 The Committee may grant Performance-Based Awards to a Participant in such amounts as the Committee may determine, subject to the limitations set forth in Section 4.1.
- 12.3 A certificate (an "Award Certificate") for each Performance-Based Award shall provide that, in order for a Participant to earn all or a portion of the Units subject to such Performance-Based Award, the Company must achieve certain Performance Goals over a designated Performance Cycle having a minimum duration of one year. The Performance Goals and Performance Cycle shall be established by the Committee in its sole discretion. The Committee shall establish a Performance Measure for each Performance Cycle for determining the portion of the Performance-Based Award, which will be earned or forfeited, based on the extent to which the Performance Goals are achieved or exceeded. Performance Goals may include minimum, maximum and target levels of performance, with the size of the Performance-Based Award based on the level attained. Once established by the Committee and specified in the Award Certificate, and if and to the extent provided in or required by the Award Certificate, the Performance Goals and the Performance Measure in respect of any Performance-Based Award shall not be changed. The Committee may, in its discretion, eliminate or reduce (but not increase) the amount of any Performance-Based Award that otherwise would be payable to a Participant upon attainment of the Performance Goal(s) unless the Participant has a vested right under applicable employment law to receive the full Performance-Based Award.
- 12.4 Performance-Based Awards may be made on such terms and conditions not inconsistent with the Plan, and in such form or forms, as the Committee may from time to time approve. Performance-Based Awards may be made alone, in addition to in tandem with, or independent of other grants and awards under the Plan. Subject to the terms of the Plan, the Committee shall, in its discretion, determine the number of Units subject to each Performance Grant made to a Participant and the Committee may impose different terms and conditions on any particular Performance-Based Award made to any Participant. The Performance Goals, the Performance Cycle and the Performance Measure applicable to a Performance Grant shall be set forth in the relevant Award Certificate.
- 12.5 Each Participant shall be entitled to receive payment in an amount equal to the aggregate Fair Market Value (if the Unit is equivalent to a share of Stock), or such other value as the Committee shall specify, of the Units earned in respect of such Performance Award. Payment in settlement of a Performance-Based Award may be made in Stock, in cash, or in any combination of Stock and cash, and at such time or times, as the Committee, in its discretion, shall determine. A portion of any payments made in connection with a Performance-Based Award may, at the election of the Participant, be deferred pursuant to the provisions of the Deferred Compensation Plan.

13. DISCRETIONARY BONUS AWARDS.

- 13.1 Discretionary Bonus Awards. The Committee may grant discretionary bonus awards of Stock or cash (each a "Discretionary Bonus Award") to officers and other key Employees of either the Company or any

Subsidiary, in such amounts and subject to such terms and conditions as the Committee in its discretion may determine.

13.2 The Committee may grant Discretionary Bonus Awards to eligible Participants in such amounts as the Committee may determine, subject to the limitations set forth in Section 4.1.

(a) 13.3 Discretionary Bonus Awards shall be paid in the form of cash, Stock (including Restricted Stock) or any combination thereof, in the discretion of the Committee. A portion of any payments made in connection with a Discretionary Bonus Award may, at the election of the Participant, be deferred pursuant to the provisions of the Deferred Compensation Plan.

14. CHANGE IN CONTROL.

14.1 Definitions.

- (a) An "Ownership Change Event" shall be deemed to have occurred if any of the following occurs with respect to the Company: (i) the direct or indirect sale or exchange in a single or series of related transactions by the stockholders of the Company of more than fifty percent (50%) of the voting stock of the Company; (ii) a merger or consolidation in which the Company is a party; (iii) the sale, exchange, or transfer of all or substantially all of the assets of the Company; or (iv) a liquidation or dissolution of the Company.
- (b) A "Change in Control" shall mean (i) a merger or consolidation of the Company with or into another corporation in which the Company shall not be the surviving corporation (other than a merger undertaken solely in order to reincorporate in another state) (for purposes hereof, the Company shall not be deemed the surviving corporation in any such transaction if, as the result thereof, it becomes a wholly-owned subsidiary of another corporation), (ii) a dissolution of the Company, (iii) a transfer of all or substantially all of the assets of the Company in one transaction or a series of related transactions to one or more other persons or entities, (iv) a transaction or series of transactions that results in any entity, "Person" or "Group" (as defined below), becoming the beneficial owner, directly or indirectly, of securities of the Company representing more than 50% of the combined voting power of the Company's then outstanding securities, or (v) during any period of two (2) consecutive years commencing on or after January 1, 2002, individuals who at the beginning of the period constituted the Company's Board of Directors cease for any reason to constitute at least a majority, unless the election of each director who was not a director at the beginning of the period has been approved in advance by directors representing at least two-thirds (2/3) of the directors then in office who were directors at the beginning of the period; provided, however, that a "Change in Control" shall not be deemed to have occurred if the ownership of 50% or more of the combined voting power of the surviving corporation, asset transferee or Company (as the case may be), after giving effect to the transaction or series of transactions, is directly or indirectly held by (A) a trustee or other fiduciary under an employee benefit plan maintained by the Company, (B) one or more

officers" of the Company that held such positions prior to the transaction or series of transactions, or any entity, Person or Group under their control. As used herein, "Person" and "Group" shall have the meanings set forth in Sections 13(d)(3) and/or 14(d)(2) of the Securities Exchange Act of 1934, as amended, and "executive officer" shall have the meaning set forth in Rule 3b-7 promulgated under such Act.

14.2 Effect of Change in Control on Awards. In the event of a Change in Control, the surviving, continuing, successor, or purchasing corporation or Parent thereof, as the case may be (the "Acquiring Corporation"), may either assume the Company's rights and obligations under outstanding Awards or substitute for

outstanding Awards substantially equivalent awards, including awards for the Acquiring Corporation's stock, if applicable. For purposes of this Section 14.2, an Award shall be deemed assumed if, following the Change in Control, the Award confers the right to purchase in accordance with its terms and conditions, for each share of Stock subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash or other securities or property) to which a holder of a share of Stock on the effective date of the Change in Control was entitled. In the event the Acquiring Corporation elects not to assume or substitute for outstanding Awards in connection with a Change in Control, the exercisability and vesting of each outstanding Award shall be accelerated for 12 months as of the date ten (10) days prior to the date of the Change in Control, provided that the Participant's Service has not terminated prior to such date. The exercise or vesting of any Award that was permissible solely by reason of this Section 14.2 shall be conditioned upon the consummation of the Change in Control. Any Award which is neither assumed or substituted for by the Acquiring Corporation in connection with the Change in Control nor exercised as of the date of the Change in Control shall terminate and cease to be outstanding effective as of the date of the Change in Control. Notwithstanding the foregoing, shares acquired upon exercise of an Award prior to the Change in Control and any consideration received pursuant to the Change in Control with respect to such shares shall continue to be subject to all applicable provisions of the applicable Option Agreement, Award Certificate or Stock Purchase Agreement, except as otherwise provided therein. Furthermore, notwithstanding the foregoing, if the Change in Control results from an Ownership Change Event described in Section 14.1(a)(i) and the Company is the surviving or continuing corporation and immediately after such Change in Control less than fifty percent (50%) of the total combined voting power of its voting stock is held by another corporation or by other corporations that are members of an affiliated group within the meaning of Section 1504(a) of the Code without regard to the provisions of Section 1504(b) of the Code, the outstanding Awards shall not terminate unless the Board otherwise provides in its discretion.

15. PROVISION OF INFORMATION.

Each Participant shall be given access to information concerning the Company equivalent to that information generally made available to the Company's common stockholders.

16. COMPLIANCE WITH SECURITIES LAW.

16.1 The grant of an Award and the issuance of shares of Stock upon exercise of an Award, if applicable, shall be subject to compliance with all applicable requirements of federal, state and foreign law with respect to such securities. An Award may not be exercised for shares of Stock if the issuance of such shares would constitute a violation of any applicable federal, state or foreign securities laws or other law or regulations or the requirements of any stock exchange or market system upon which the Stock may then be listed. In addition, no Award may be exercised for shares of Stock unless (a) a registration statement under the Securities Act shall at the time of exercise of the Award be in effect with respect to the shares of Stock issuable upon exercise of the Award or (b) in the opinion of legal counsel to the Company, the shares of Stock issuable upon exercise of the Award may be issued in accordance with the terms of an applicable exemption from the registration requirements of the Securities Act. The inability of the Company to obtain from any regulatory body having jurisdiction the authority, if any, deemed by the Company's legal counsel to be necessary to the lawful issuance and sale of any shares of Stock hereunder shall relieve the Company of any liability in respect of the failure to issue or sell such shares of Stock as to which such requisite

authority shall not have been obtained. As a condition to the exercise of any Award, the Company may require the Participant to satisfy any qualifications that may be necessary or appropriate,

to evidence compliance with any applicable law or regulation and to make any representation or warranty with respect thereto as may be requested by the Company.

17. TERMINATION OR AMENDMENT OF PLAN.

The Board may terminate or amend the Plan at any time. However, subject to changes in applicable law, regulations or rules that would permit otherwise, without the approval of the Company's stockholders, there shall be (a) no increase in the maximum aggregate number of shares of Stock that may be issued under the Plan (except by operation of the provisions of Section 4.2), (b) no change in the class of persons eligible to receive Incentive Stock Options, and (c) no other amendment of the Plan that would require approval of the Company's stockholders under any applicable law, regulation or rule. No termination or amendment of the Plan shall affect any then outstanding Award unless expressly provided by the Board.
